Garbage Trucks Pass Homes Not Following Regulations

Monday, June 25 was the first day for the Sanitary Department order to pass up trash and garbage not properly placed at the curb. It was the day for pick-up in the Green addition and Superintendent W. D. Bigbee reported that nearly one-half of the stops were passed because the cans were either 1. Not put out 2. Too large 3. Uncovered.

The covered can is essential Bigbee said because "on occasions it rains in Cameron and the rainwater from the uncovered cans make for a big mess in the truck." In addition to that factor the health department frowns on the open can.

The pick-up in the Tuesday sector ran about two-thirds instead of the Monday fifty percent which was an improvement over the Monday pick-up but Bigbee pointed out "Next week is the week that will begin to show the per-

centage of cooperators the new regulations will have. When the same areas are covered.

On Tuesday the men were through with the run at 2 p.m. but they could not continue in another area because they are determined to stay on schedule and make each area on the same

day each week. For a while, it was explained the truck will be at a given home a bit earlier than it will as the cooperation increases, it was explained, but in time the home-owner can expect the pick-up within an hour of the same time on the day of pick-up at that particular home.

Czechoslovak Society Plans Mass Initiation July 1 at Marak

Sixteen members on the Czechoslovak Society of America Degree Staff of the Grand Lodge of the State of Illinois, will arrive by train, in Cameron, Saturday, June 30. They will be greeted by members of the local lodge, Lodge Cameron, No. 460 and transported to the Kathy Courts, which they will occupy during their two stay in Cameron.

On Sunday, July 1, 1956, at the Country Bar Hall in Marak, beginning at 2:00 p.m., this Degree Staff will perform in a Mass Initiation of new members into this great C.S.A. organization.

After the formalities of the program, pictures of new members and guests will be taken by the B & B Studio of Cameron.

The Emil Bartosh Orchestra of Moulton, Texas will furnish the

music for afternoon and night dancing.

Guests and members are expected to attend from a number of neighboring towns and lodges.

The entire public is invited to attend.

Stores Closed July Fourth

It has been announced that a poll of the merchants by the Chamber of Commerce was decisive in selecting July 4 as a closing date for the vast majority of the stores.

City Employees Coming; Going

In the City Secretary Department Mrs. Alton (Aileen) Fuchs has taken over the duties of Assistant City Secretary.

Mrs. Fuchs went to work on Monday following the departure, for other fields, of Miss Wilma Holloway. Miss Holloway departed last week for employment in Houston.

The newly-formed police-fire department job is now open and requests applications. The job was filled for a short time by V. R. Allison, 601 W. Second Street on a temporary basis. The job entails 54 hours work as Desk Sergeant on the police side, including one day on the fire department side, with one day off except for the "On Call" status as a second fire truck driver in the event a truck is called while another fire is in progress.

The move to combine the job, so as to utilize city manpower to the utmost, was made after Councilman Brady discovered that NO FIRE CREDIT is received by the city on the strength of a full-time standby driver. The new arrangement does not do away with the full time standby driver because with the sounding of the fire whistle the police car in addition to other city employees rush in to take over in the police department if the desk man is called to duty.

Bill Richter, for a number of years the standby driver asked to be relieved because of the night work in the new set-up.

First Friday Night Fellowship At All Saints A Success

The first of the Friday night fellowship programs at All Saints Episcopal Parish House held on Friday, June 22, was declared to be a "Howling Success."

Approximately fifty youngsters played table tennis and other games besides dancing to the tunes supplied by a record player.

The chaperones felt that all the youngsters in attendance enjoyed themselves to the fullest and felt heartened in their purpose to make it a regular Friday night affair.

The fellowship is open to all teen-agers in and around Cameron and tomorrow night at the regular time another of the get-togethers will be kicked off and a bigger and better time is expected to be had by all in attendance.

Insured Cotton Acreage Should Be Released

Milam County farmers whose Cotton crop investments are insured under Federal Crop Insurance Policies were advised today by Joe C. Denson to get insured acreage released before putting it to other use including participation in the Soil Bank payment program.

"We will release acreage upon request following its inspection and an appraisal of the potential production by the Corporation adjuster since we are anxious to be of maximum assistance to our policyholders in enabling them to utilize opportunities presented by the Soil Bank payments. However the crop insurance contract provides that insured acreage put to another use without a release by the Corporation must be given an appraisal by the adjuster at least equal to the coverage."

Consequently, crop insurance policyholders in the county should request and obtain release of any insured acreage before carrying out any operations on the insured land that may be required in order to comply with the participation provisions of the Soil Bank program.

"Cooperation of policyholders will enable us to pay all indemnities that may be due farmers under their crop insurance protection," Mr. Denson pointed out. "Payments made on insured land under the Soil Bank program will in no way affect the insurance indemnity that may be due a farmer under his crop insurance policy. This is insurance protection that he has purchased and is not involved in Government payments which he may receive provided, of course, he complies with the performance requirements of his insurance policy such as getting the acreage released before putting it to another use which would include plowing, clipping, mowing, etc., the insured crop."

Waco-Cameron Scouts Explore The Colorado

Nine adventurous Explorer Scouts from Post 36, of Waco and Post 84 of Cameron, along with Harold Renner and his assistant and a guide from Camp Tahuaya set sail down the Colorado River Monday, on a week long canoe trip. Renner is advisor of Post 36 of Waco.

Turner Newton and Allen Dodson Jr. are the Explorer Scouts from Cameron Post 84 making the trip. Rev. John Solomon is Advisor of Post 84.

The boys will return to their homes Saturday. An account of their experiences will be given next week.

Ten members of Scout Troop 83 and two members of Explorer Post 84 will leave Cameron Sunday evening, July 1st for a week's camp at Camp Tahuaya, near Belton.

Cameron Takes Thorndale 13-5 In Sunday Tilt

In the Milam League the Cameron team took the Thorndale nine to a 13-5 drubbing Sunday, June 24.

Sapp and Florida were the Cameron batteries and Drummond and Stigall did battery duties for Thorndale.

Tompkins and Stratton with four hits each led the Cameron sluggers. For Thorndale Stigall garnered a home run.

Cameron made its 13 runs on 17 hits and 2 errors while Thorndale got their five runs on six hits and committed five errors.

Sapp was winning pitcher, being relieved in the seventh by Tompkins and Drummond was debited with the loss.

Cameron Merchants Find The Banks Have Problems Also

A group of Cameron merchants sought Friday to explain their problem of slack business on Saturday afternoons indicating that it might be due to the banks being closed on Saturday afternoon.

Following a thorough discussion with both banks one of the merchants remarked "We think we have problems until we talk to someone else."

The bank problem is tersely "Government regulation." No woman may be worked more than 9 hours in one day and no more

than 54 hours in a week according to law. The new Texas law says that no bank can offer less than FULL service. "If we are open, a banker explained, we have to have a full force on duty to render every service the bank has to offer." We have the problem of keeping clerks who, when trained, are offered jobs with firms who offer more time off. Some banks show a 64 per cent turnover in personnel. These were among the more weighty reasons for Saturday afternoon closing

given by the banks. The employees like to have time off when their husband or wife is off. For instance Alcoa employees are off on Saturday afternoon and so their wives who work for the banks want the same hours off.

The merchant spokesmen brought up the matter of check cashing and felt that the banks could do a much better job doing that service than the stores. The lack of business in Cameron on Saturday afternoon may be due to the banks being closed here while they are open in nearby towns the spokesmen said. On top of that Rosebud offers prizes on Saturday which probably attracts our people to that Falls County town.

It was pointed out that in view of the regulation of the banks which make the costs of operation prohibitive a survey of other towns of comparable size was made. Belton is open from 9 a.m. to 1 p.m. on Saturday. Bryan with four banks are open 9 to 12. Marlin with three banks opens 9 to 12 on Saturday. Marble Falls from 9 to 12, Taylor 9 to 12:30 and Georgetown closes from 12 to 1 every day and closes at 12 on Saturday and report a satisfactory arrangement.

Bookkeepers of the local banks go on duty at 7 a.m. contrary to the popular belief that they have the shortest working hours of any employed people said one of the bankers. We have to be balanced by 11 a.m. We can't let it ride until the next day said one of the bankers.

The banks open Saturday morning and one of the merchants said that he considered that money in the safe on Saturday afternoon is the equivalent to stocking the shelves.

It seemed apparent, following the conferences that the merchants will have to lay in their won stock of money on Saturday morning in order to cash the checks of their patrons.

Both banks declared a willingness to work with the merchants in any way that they could but felt that the afternoon closing is becoming more and more a part of our way of life today. It was pointed out that all the utilities, professional people, the news paper, wholesalers and in fact all who come under the wage and hour law have been closing on Saturday afternoon for some time and that more and more are finding that it means more to them to close than to remain open on Saturday afternoon.

Politicos Say It With Epithets Floral Association With Flowers

Politics, the chief topic of conversation in the even years in Austin, will be temporarily forgotten for three days in July when the city becomes the flower capital of the nation.

There will be flowers everywhere. According to plans now well under way, Austin literally will be buried under an avalanche of exotic blossoms.

The occasion will be the annual convention of the Texas State Florists' Association on July 8, 9, 10, and 11. More than 1500 florists from every city and town in the State are expected for the three-day "Fantasy in Flowers."

Flowers already are being received from the major growers in the country. Many of them will be used in the flower design school.

a morning feature of the convention.

The design school will be in charge of one of the nation's most talented design teams, Mr. and Mrs. Arthur Black of Orange, Texas. Guest artists will include Ed Henderson of St. Louis, Mo., Art George of Palmetto, Fla., Scotta Thompson of Ardmore, Okla., John Hancock of Dallas, Red Garrison of Port Arthur and Andy Wylie of Houston.

Flower arrangements will fill the display rooms of all the city's hotel display rooms and Bernie Hillen of Austin, general convention chairman, said many Garden Clubs over the State were planning pilgrimages to the arrangement displays.

City Planners Conspicuous By Their Absence

The first attempt at forming a Planning Commission for the City of Cameron was made Tuesday night with only three of the twelve nominees and two commissioners present.

Albert Matula, Bennie Archer, and Richard Moseley were present for the 7:30 meeting Tuesday night.

City Attorney Bill Black explained the purpose of the planning commission to those present and the next meeting was set for Thursday night, July 5.

Highway Patrolman Jack H. Straley On Duty In Cameron

Jack H. Straley, 26, of Tyler, Texas with his wife Mildred and 2½ year old daughter, Sharon Lane has moved into Cameron to become a member of the Texas Highway Patrol stationed here.

He is a graduate of the Training Academy of the Public Safety Division getting his diploma on June 8. He is a graduate of Tyler Jr. College.

The Straleys are members of the Baptist Church and live at 807 E. Sixth in Cameron.

Rita Reid To Attend National Future Homemaker's Conference

Rita Frances Reid, 17, daughter of Mr. and Mrs. Frank H. Reid of Cameron will be a delegate to the 1956 National Convention of Future Homemakers of America, July 2-6 at the Conrad Hilton Hotel in Chicago, Ill.

A Senior at Yoe High School she has been an FHA member since 1953 and has served as chapter Vice President and area third Vice President. Advisor for the local chapter is Mrs. W. T. Whatley.

FHA is the national organization of pupils studying homemaking in junior and senior high schools in the U. S. and Territories. Any student who has taken or is taking homemaking may belong. Membership is voluntary. National membership totals nearly 500,000.

Rita will be one of around 2,000 FHA members chosen to attend the national meeting.

Convention sessions will be geared to helping FHA'ers recognize opportunities and accept responsibilities related to improving the home, school and community life.

Other activities during the five-day gathering include election of 1956-57 national officers and voting on national projects.

FHA is sponsored by the American Home Economics Association and the U.S. Office of Education. Cooperating groups are the home economics sections of the American Vocational Association

Rita Frances Reid

and the National Education Association.

The main goal of FHA is to learn to live better today in order that the homemaking pupils' lives and those of their families may be better tomorrow.

Rita also is a member of the following school and community organizations: Junior Historians, Order of the Rainbow for Girls and the Yoe High Band. She is a member of the First Christian Church.

Rev. Bradshaw To Be Ordained Deacon At Richmond July 3

The Right Reverend John E. Hines, D. D., Bishop of Episcopal Diocese of Texas will ordain to the Sacred Order of Deacons Richard Jeter Bradshaw at Calvary Church in Richmond, Texas, on July 3, 1956 at 10:30 a.m.

The Reverend Bradshaw, having just completed his seminary work at the Episcopal Seminary of the Southwest in Austin is filling the pulpit as Vicar of All Saints Episcopal Mission in Cameron. He replaces the Rev. Harland M. Irvin who is now full-time Vicar in charge of St. Thomas in Rockdale.

The Reverend Bradshaw will move with his wife and five children to Cameron some time during July.

Today's Text: Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ.—Eph. 13.

Dear Father, may all Christians be growing Christians, united in love and faith. For Christ's sake. Amen.

Artificial Breeder Gets First Results In Milam County

James E. Luckey of Cameron, representative of the United Breeders of Texas, said that a Brown Swiss heifer calf, sired by a purebred bull, dropped on the Thurmond Williams place at San Gabriel "Couldn't have been better."

The calf weighing 120 pounds was bred by artificial insemination of a frozen spermatozoa, a technique used by the Breeders Association and handled in the tri-county area of Milam, Williamson and Bell by Luckey. The breeding was started in the area last Sept. Luckey says the organization maintains approximately 200 of the nation's "finest pedigreed, production-proven sires."

Breeds include Holstein, Guernsey, Jersey, Ayrshire, shorthorn (both milk and beef varieties.) Herfords and Angus, besides the Brown Swiss.

About 10 percent of the dairy-men in the area are using the system says Luckey and it is available to anyone who owns a few head of stock he said. He expects between 300 and 400 calves to be born through the program in his area before the end of the year.

The technique, new to this area, was developed by the dairy industry and has been used for 16 years. It enables anyone anywhere to use superb quality breeding at a reasonable cost, the breeder said.

The system does require good herdsman and management.

Methodist Bible School Ends With Picnic Friday

Vacation Bible School at the First Methodist Church in progress this week with the theme, "The Bible" had a registration coke party for children on Saturday, June 23.

The children filled boxes for migrant center on Wednesday. On the day before they saw a film on "The Life Of Christ".

The Bible school will end on Friday with a picnic at the City Park.

Perfect attendance certificates will be given to children attending each session said Mrs. James H. Kahler, superintendent.

The teachers are: Kindergarten, Mrs. James Barr, chairman; Sandra Smith, Mrs. M. C. Ponder, Mrs. S. D. Ripley, Mrs. Stratt Perkins.

Primary: Mrs. W. H. Garner, chairman; Mrs. Bob Foster, Becky Foster, Carol Ann Sanders, Rita Reid and Judy Miles.

Junior: Mrs. Jack Tumlinson, chairman, Mrs. Niley J. Smith, Mrs. Marlin Harris, Vera Perrin, and Carol Ann Heitmann.

AIRMAN THIRD CLASS BILLY ROSS THOMPSON son of Mrs. Joe Thompson of Cameron is at home now on a twenty day emergency leave due to the recent illness of his mother. He is stationed at Alameda California Air Base. He entered the service on Jan. 8, 1955 and has been at the California base during the 17 months. He is a graduate of Yoe High School in 1954.

Belton Rodeo Opens Saturday

The Belton Rodeo will be held for four big nights, June 30, July 2, 3, and 4. The rodeo will feature the five major rodeo events; namely, the bareback bronc riding, calf roping, saddle bronc riding, calf roping, saddle bronc riding, bulldogging, and bull riding with a 6th event for girls, the cowgirls clover leaf barrel race. Outlaw rodeo stock to be furnished by the Triangle Bell Rodeo Ranch from Belton.

The downtown rodeo parade will be seen on opening day of the rodeo at 4:00 P.M. That night the first performances of the Championship Rodeo will get under way at 8:00 P.M. Special events of this year's rodeo will include cowgirls and cowboys, trick and fancy riding with the nation's most outstanding performers participating such as:

Sparky Dent, sensational young cowgirl from Vero Beach, Florida along with Jo Barbee of Dublin, Texas, Jody Bradley, Odessa, Texas, and the World's Champion Trick and Fancy Rider, J. W. Stoker from Overland Park, Kansas.

Probably one of the most talked of acts in the world is Swede Fuller and his Golden Retriever dogs from Illinois. These highly trained, very intelligent dogs will make an appearance at each rodeo performance.

Another outstanding and very

colorful act will be a young cowboy who recently appeared with Marilyn Monroe in her latest picture, "Bus Stop". This boy is J. W. Stoker who does a beautiful and new routine of rope spinning under the black light, J. W. copied a good many of his tricks from the late Will Rogers and has appeared in all the major rodeos in the United States. During World War II he entertained troops in Korea with his trick roping.

A new clown for this year's rodeo is the funniest of them all, Clark Shultz, Aunt Bessie and their Bucking Ford, from Ponca City, Oklahoma. The things that happen to this young couple in their old Model T Ford will keep you laughing for a long, long time.

Bull fighting chores will be handled by Cecil Ellis of Austin Texas, and Clark Shultz. They tease and torment the man killing bulls during the bull riding of the rodeo, giving you a thrill a second as they slap the man killers in the face with their bare hands.

A beautiful Shetland will be given away to the person holding the lucky ticket at Monday night's rodeo, July 2. Our annual downtown July 4th celebration parade will take place on Wednesday morning 10:00 A.M. A gigantic and colorful fireworks display will be seen at the rodeo arena on Wednesday night, July 4th.

Tickets may be purchased at the Service men's Center in Belton.

LITTLE RIVER PHILOSOPHER WANTS NOTHING MORE THAN TO BE TREATED AS WELL AS THE PEOPLE OF EGYPT

Editor's note: The Little River Philosopher on his Johnson grass farm on Little River is confusing international problems with his own, his letter this week indicates.

Dear editor:
I don't always follow too accurately some of the news I read in the newspapers that turn up out here, although I don't know why a reader should be so concerned with accuracy when editors frequently aren't, if you get what I mean, but at any rate I was reading an article last night that has me puzzled.

According to it, there's a race on between the United States and Russia to see which one can furnish the most money to build a big dam in Egypt, so that country can irrigate its land and produce more.

Now I'm not going into the economics of the United States helping somebody else produce more agricultural products when we're about to choke to death on a surplus here at home, but what interests me is the contest angle.

Naturally, I wouldn't be interested in a contest between the United States and a foreign country to see which one could say furnish the most money to help me dig a water well on my farm out here that'd be impractical, but in order for the U. S. to sort of sharpen up on its training in this line, why couldn't the Republicans and the Democrats get in a contest to see which one could furnish me the most money to dig a water well?

If the Democrats offered to loan me the money at 4 percent to dig the well, the Republicans could counter with an offer of 2 percent to be countered by the Democrats with an offer to dig the well, put in a pump, install a hot water heater, and furnish a ten-year supply of soap and towels.

The whole purpose of this, of course, would be to keep me on one side or the other, the same as is the case with Egypt, and while I don't know anything about Egypt, I know something about my-

self and I figure my sentiments would lie with the side that made the best offer until the well ran dry, and if you ask me that's a pretty expensive way to win friends and keep allies, especially when they're in no better shape than me and Egypt, but you've got to remember I sure could use a new water well.

Yours faithfully,

J. A.

Methodists To Elect Bishop At Conference

The South Central Jurisdictional Conference of The Methodist Church will be held in the Municipal Auditorium, June 28 - July 2. The 304 official delegates represent the denomination's 1,821,000 members in the eight state jurisdiction.

Chief item of business will be the election of a new bishop to fill a vacancy created by the retirement of Bishop Ivan Lee Holt of St. Louis, head of the Missouri Area. Bishops are elected for life but must retire from active supervision of an episcopal area at the next session of a jurisdictional conference following their seventieth birthday. Bishop Holt was 70 in January, and will retire at the close of this conference. He was in charge of the Central, No. and Northwest Texas Conferences 1938 through 1943, and has a long record of service with Southern Methodist university as faculty member and trustee.

States represented in the jurisdiction are: Arkansas, Kansas, Louisiana, Missouri, Nebraska, New Mexico, Oklahoma and Texas.

Navy WAVES composed 70 percent of the Navy complement in the Bureau of Naval Personnel in World War II.

The production of 4,600 billion cubic feet of gas in 1954 was twice the production of any year preceding 1949.

Homecoming To Be On July 8

A Homecoming on Sunday, July 8, of the Marlow Cemetery Association with Church Services in the morning and a basket dinner at noon and a business session in the afternoon is planned, according to the Secretary of the Association Miss Lenora Bickett.

Cards will be sent to all former residents and to those whose relatives are buried in the Marlow Cemetery the Secretary said.

Speaker for the occasion will be J. C. Mayfield who was at one time a teacher at the Marlow School. Part of the music on the program will be furnished by a male quartet.

Hickman 777 Has Good Stand Of Blue Panie

Ed Hickman, operator of the 777 Ranch near Youngsfort, has a good stand of blue panie on approximately 10 acres. He plans to start watering it in the near future and using it for grazing. Due to the extended dry weather, watering will be necessary to get good grazing from this grass.

Blue panie is a deep rooted perennial bunch grass that does well on most of our Bottom Land soils. It may reach a height of 6 or 7 ft. under best growing conditions. It has a broad leaf, and is an excellent grass for grazing and for hay. Blue panie is generally seeded in rows and managed the same as sudan grass. Hickman plans to increase his blue panie acreage later. He feels that it has a place in his grazing program.

Grain sorghum following hubam clover looks good on Alois Rabrocker's farm east of Zabeikville. No run off from this field was had during a recent 1.7" rain. Penetration of moisture from this rain was deep enough to meet moisture stored by previous rain. On neighboring untreated land there was considerable runoff and soil loss from the above mentioned rain. Mr. Rabrocker is a cooperator of the Central Texas Soil Conservation District. He was assisted in planning a complete conservation program on his farm by the Soil Conservation Service technician at Temple.

Conservation farm plans were developed on the Floyd Lawhorn and the Wiley Eldred farms this week. Mr. Eldred is planning a cover program for his cropland, and a pasture development program on the grassland. The cover program consists of a continuous cover of broadcast crops interplanted with sweet clovers for soil building purposes.

S. S. Dumas built a 1600 foot diversion terrace to add more

the Temple Work Unit. Construction of farm ponds was started on the W. B. Skinner and Raymond Schliede farms this past week. These ponds are located so a better distribution of grazing will be achieved, and are designed to insure a year-round supply of stock water.

The board of supervisors of the Central Texas Soil Conservation District approved 26 conservation farm plans covering 6,028 acres of land at their regular monthly board meeting.

The Seaton conservation group met with the board to discuss conservation problems in the Seaton area. Nineteen conservation farms including Jerry Pechal, Jerry Mikulas, Edwin J. Chlopek, W. J. Matous, Joe L. Sefcik, Joe F. Dana, H. M. Jakubik, Henry Skrabanek, Jerry Chlopek, Frank J. Macek, John Kotrla, Ed Schneider, C. F. Motl, Anton Vitck, W. M. Pechal, F. J. Tomosak, Raymond Machalick and Frank T. Svajda, are planning a better crop residue management program and cover program introducing more broadcast crops such as oats interplanted with legumes such as hubam into their farming program.

The board voted to furnish the conservation group with a stalk shredder and combination grain drill that will plant legume and small grain seed at the same time.

District supervisors are watching with interest the details of the soil bank as they are being made ready to offer to the farmer. Many cooperators feel that they cannot afford to skip a cash crop on their land to leave a soil improving crop on the land for an entire year. Because of this, many have turned to the winter cover crop program and have not been satisfied with the results.

The supervisors and conservation workers are elated by that part of the bank that will encourage the farmer to leave the soil improving crop on the land for an entire year or better, thus giving him a chance to see what such crops as hubam clover and vetch will do for the soil when given a chance to grow to maturity.

National League Finds Teams Tied For Top And Bottom

Base Hits fell all over Yoe High Field Monday night June 18 as the hitters took advantage of the pitchers to open the official Softball league for the younger boys.

In the Opening game the Pirates, coached by Dr. Gus Evans racked up 15 runs to subdue the Dodgers, coached by Bill Wallace who could gather only 4 scores.

The Pirates scored 2 runs in the first inning, three in the second, one in the third, three in the fourth and then tied the game as they chased in six runs in the fifth inning. The Dodgers scored two

Jr. who scored 15 runs while the Phillies managed by Chief Johnson couldn't score a run. The Cardinals started the fireworks in the very first inning when they scored three runs, and then in the third they scored ten big runs to make the game a runaway.

The Cards and Pirates are tied for first place and the Dodgers and Phillies are tied in last place as a result of their Monday night defeats.

Cameron Teen Age Softball Texas League Opens Season

In a game loaded with outstanding plays and timely hits the Red Birds, coached by J. C. Dameron defeated the Athletics coached by Leroy Thompson by a score of 3-5 to officially open the 1956 teen age softball league.

For the winning Red Birds it was John Wayne Josey pitching and Johnny Solomon behind the bat. For the losers Ray Green was the catcher and Make McDermott was the pitcher.

The Red Birds started the scoring when they scored a run in the second inning, but the Athletics came charging back to score four runs and take a four to one lead. Their lead however was short lived as the Red Birds scored four in the third inning and kept the lead as both teams scored one run each in the fifth.

In the second game the Giants, coached by W. K. Leonard, scored 12 runs to defeat the Cubs coached by Eddie Langford who scored only two runs.

The Battery for the winners J. Solomon catching and J. Josey pitching. For the losers Luther Burnett was the starting pitcher and was charged with the loss but was relieved in the third inning by Bobby Elliott.

As a result of the Monday night play the Red Birds and the Giants are now tied for the lead with one victory each and the Athletics and Cubs are on the bottom as result of their defeats Monday night.

This League plays every Monday night and the public is invited.

Wallace Colburn Radar Instructor In Germany

Mr. and Mrs. Clarence Colburn of Yarrington have received a letter from their son, PFC Wallace Colburn stating he had been transferred from Wiesbaden to Sontheim, Germany as an instructor in Radar, after 13 months of overseas duty.

Wallace is a Yoe High graduate and attended A & M College before going into the service.

Two-Third Vote Of Wheat Farmers Will Okay 1957 Quotas

Marketing quotas for the 1957 wheat crop have been proclaimed by Secretary of Agriculture Ezra Benson and July 20 set as the date for a referendum when wheat growers will decide by ballot whether the quotas will be put in operation or not. A two-thirds vote favoring the quotas makes them effective.

Growers who are effected by the marketing quotas, and eligible to vote in the referendum, are those farmers who will harvest more than 15 acres of wheat as grain in 1957.

In his proclamation, Secretary Benson said, "This marks the fourth successive year that abnormally large wheat supplies have required the proclamation of marketing quotas for the next wheat crop. It is the third successive year for which the national acreage allotment has had to be set at 55 million acres, the minimum specified by law."

"All of the wheat we are likely to need from 1957 production, determined according to the formula in the legislation, could be produced on an acreage of about 12.4 million acres. If it were not for the legal minimum, the national allotment could have dropped to that level."

"The plain fact is that, in spite of valiant attempts to channel more wheat into exports, we still have enough wheat for the marketing year beginning July 1, 1956

While we are hopeful about holding down the carry-over into 1957-58, wheat continues as one of the most serious problems in the whole farm economy."

"This situation points up the need for the Soil Bank which farmers can use to bring about additional adjustments in production without further reducing their incomes."

Little League Baseball Off To Flying Start

Play for keeps started Friday night, June 22 in Little League baseball and when the smoke had cleared away the fans had witnessed two well played games.

In the season's opener it was the Yankees who scored a run in the bottom of the fifth inning to beat the Indians by a score of two to one.

The battery for the Yankees was Carol Fikes the winning pitcher and Boyer was behind the bat. For the losers it was Bob Dimpke starting pitcher with Schiller relieving in the fourth inning and

the even-ting it was the Braves who scored eight runs to defeat the White Sox who could get but two runs off of the Braves pitcher Herbert Thweatt, catching for the winning Braves was D. Packer. For the losing White Sox it was Patterson pitching and Steve Malone catching.

Pate was the catcher. The White Sox collected three hits while the winning Braves got six hits, but the White Sox's pitcher gave up nine bases on balls and that spelled defeat for the White Sox.

As the results of the Friday night games the Yankees and the Braves are in first place and the Indians and the White Sox are in last place.

On Friday night, June 22 it will be the Yankees playing the White Sox at 7 p.m. and in the night cap the Indians and Braves tangle.

"I know there is a mistake in automobile," he was saying to the lady owner. "No, there is no mistake," she replied.

There were three Cadillacs in the basement garage. He was told that he could have his choice for \$50.00. They were almost new. The lady took his check.

"I don't want to seem curious," he said, "but will you tell me why you are selling one of these Cadillacs for \$50.00."

"Yes, I'll tell you. My late husband left in his will that one of the Cadillacs was to be sold and the proceeds given to his secretary. I never liked that girl and I don't intend for her to get much money."

Season after season GET DEAD SURE CONTROL OF BOLL WEEVILS with dieldrin

Used on thousands of acres of cotton land, dieldrin has proved to be one of the most effective insecticides for control of boll weevils. So effective is dieldrin's killing power, that weevils and other major cotton pests are finished for keeps if they touch, taste, or breathe it.

Long lasting. A single application of powerful dieldrin will knock out boll weevils for many days after application. Even hot, dry areas cannot discourage dieldrin's long-lasting effectiveness.

Easy to use. Dieldrin can be applied as a spray or a dust. Either way, you can be sure of effective, high kill.

Don't put up with boll weevils and other cotton pests this season—use dieldrin! Dieldrin is available under well-known brand names from your insecticide dealer. See him today!

Golf Medal Play At Navasota Club On July 4

The Navasota Golf Association is sponsoring a Medal-Play Golf Tournament on Wednesday, July Fourth, at the colorful Navasota Country Club Course. Play will begin at 8:00 A.M. and continue throughout the day.

The competing golfers will be handicapped and flighted by their total gross score on 18 holes, and prizes will be awarded for first, second and third place in each flight. The prizes consist of Golf Bags, Golf Clubs, and Golf Balls valued in excess of \$250.00.

Sandwiches, cold drinks and watermelon will be available on the course for those wishing to eat on the premises. Also, there are picnic facilities available for those wishing to bring their own lunch.

An entrance fee of \$3.00 will be charged to help defray the cost of the prizes, and all golfers from Navasota and the surrounding communities are cordially invited to attend the Tournament and bring their families for a pleasant and safe Fourth of July Celebration.

THIS BEAUTY CAN THREAD A NEEDLE!

Here's Handling So Precise and Effortless, You Forget You're
Bossing One of the Biggest Cars on the Road!

It feels and moves like no other car
you've ever known!

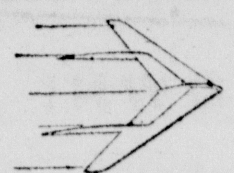

Here is control as precise and sure as
the engineering that created this sleek
'56 Pontiac.

It's control based solidly on the
strength and balance of a rugged

X-member frame—on the power and
smoothness of the brilliant Strato-
Streak V-8 and Strato-Flight Hydra-
Matic*. It's control born of steering
so accurate you could thread a needle—
and of huge brakes that react to tiptoe
pressure to give you cat-quick stops!

A few miles in this road-hugging
beauty is an eye-opening experience!
Try it! Come on in and see us soon.

Catholic Youth Active In Social And Civic Work

During the past month the Cameron Catholic Youth Organization has been very active in social and civic work.

The month began by the group visiting the Coca Cola Plant as part of their civic program.

The monthly meeting was held on the 13th when plans were made to attend the district meeting held at Cyclone on June 24. Delegates elected to attend the Catholic State League at Nada next month were Paul Holscher, Rita Moraw, and Barbara Kotrola. A monthly social, hayride and weiner roast was planned for Wednesday, June 27.

Cameron was represented by a group of their members at a Sweetheart Dance in Taylor at Father Polansky Hall sponsored by the Taylor C.Y.O. on June 15. The group enjoyed dancing to the music of Gilbert Kautz.

Monday, June 18, a skating party held at Temple was enjoyed by the Granger, Westphalia, Taylor, Cyclone, Temple and Cameron C.Y.O.'s. A group of forty attending from Cameron were accompanied by Rev. Clyde Holtmann of Rockdale and Rev. Al Kollaus, our new spiritual director.

The second district meeting of 1956 was held at Cyclone on June 24. The meeting was called to order at 2:30 by Paul Holscher, district president; Rev. Harry Mazukoviz of LaGrange led the opening prayer.

Approximately 200 members of the district were present. Father Tim Valenta, sports director then presented the volleyball trophy to the Dimebox girls and Bryan, St. Joseph's Boys team.

Reverend Clyde Holtmann of Rockdale was guest speaker and gave a very frank and inspiring talk on the all important institution of marriage. Father Harry then introduced the other priests present and Rev. Bernard Goertz of Temple gave some information on the Diocesan meeting to be held in Temple in January, 1957.

The re-districting places Brenham, Cameron, Granger and Waco in new districts. Remaining in Cameron's district are Bryan, St. Joseph's and St. Anthony's.

Cyclone, Dimebox, Frenstat, Burlington, Marak, Bromond and Cameron. The next meeting will be hosted by Westphalia in October. The group then attended Benediction at St. Joseph's Church.

Husband Of Former Yoe Teacher Invited To Austrian Meet

Dr. O. B. Mackensen, apiculturist with the Beekeeping and Insect Pathology Laboratory operated by the U.S.D.A. and the Louisiana State University Agricultural Experiment Station has been invited to address the International Beekeeper's Congress, which will meet in Vienna, Austria, August 12-18. Dr. Mackensen will speak on his specialty, which is the artificial breeding and genetic study of bees. He has gained an international reputation in the field for his research work and his improvement of techniques and instruments used.

He will be accompanied by Mrs. Mackensen, who is assistant professor of home economics education on the LSU faculty, and who will visit home economics departments at several European institutions, including the university at Wageningen, the Netherlands.

Mrs. Mackensen is the former Kathryn Robbins of Cameron who taught Economics for a number of years in Yoe High School and will be fondly remembered by her students here. She is the daughter of Mrs. K. K. Robbins of Cameron who is connected with the Atkinson Insurance Agency.

Mrs. Robbins will accompany her daughter and son-in-law on the trip. Dr. Mackensen's sister, Mrs. Verona Cook from Hartford, Conn. will also be among the group. After leaving Dr. and Mrs. Mackensen in Austria, Mrs. Robbins and Mrs. Cook will tour Italy and France during the month of August. Mrs. Robbins will return to Cameron after September 1.

James O. Vessels Made Lone Star Gas District Foreman

James O. Vessels of Fredericksburg has been named foreman of Lone Star Gas Company's Cameron District of distribution. C. M. Burke, district manager,

has announced.

Vessels, a native of Kentucky, joined Lone Star in 1949. Prior to promotion to foreman for the Cameron District he served as a serviceman at Fredericksburg.

In his new position, he will supervise the gas service maintenance operations for Cameron, Caldwell, Rockdale, Buckholts, Minerva, Rogers, Rosebud and Travis. He will work under the direction of Charles Burke.

The new Cameron foreman be-

gan his career with Lone Star as a laborer. He was promoted to warehouse clerk in 1951 and named a serviceman in 1953.

At Fredericksburg, he was a member of the Catholic Church and served as secretary-treasurer of the church bazaar for the past three years. He also did public service work for the Rotary Club and the City of Fredericksburg.

Vessels is a graduate of St. Jerome's High School in Fancy Farm, Kentucky, his birthplace.

He later completed a business course at the same school.

Prior to joining Lone Star he worked for a construction firm in Georgia.

He is married to the former Miss Emily Johnson of Walton, Kentucky. They have five children, Joseph, 16; Rita, 13; Mary, 4; Catherine, 3; and Jimmy, 2.

Mr. and Mrs. Hershel Walker and children of Edenburg spent several days in Cameron visiting

in the home of Mr. and Mrs. Jim Crouch and other relatives.

Sharon Vick and Marilyn Hugh are visiting their aunt and uncle, Mr. and Mrs. T. J. Worthington and son in Oklahoma City.

Billy Caldwell In Navy

Billy Caldwell left Cameron, Wednesday to begin four years of duty in the Navy. He is the son of Mr. and Mrs. B. C. Caldwell of

Rt. 2, Cameron. He will take Boot training at San Diego. He graduated from Yoe High School this year.

Crouch Family Reunion

The children of the late Mr. and Mrs. J. P. Crouch are having a family reunion at Cameron City Park, Sunday, July 8th.

All relatives and their families are urged to attend and bring a basket lunch. A happy day is in store for all who attend.

THURSDAY, JUNE 28, 1956

An unnamed girl in the Scott and White Hospital weighing two ounces less than eleven pounds. That's right 10 pounds 14 ounces. The mother is Mrs. "Wink" Lewis. The father will not be named until the child. He wants to name her "Thirteenthirty" Lewis but hasn't decided yet.

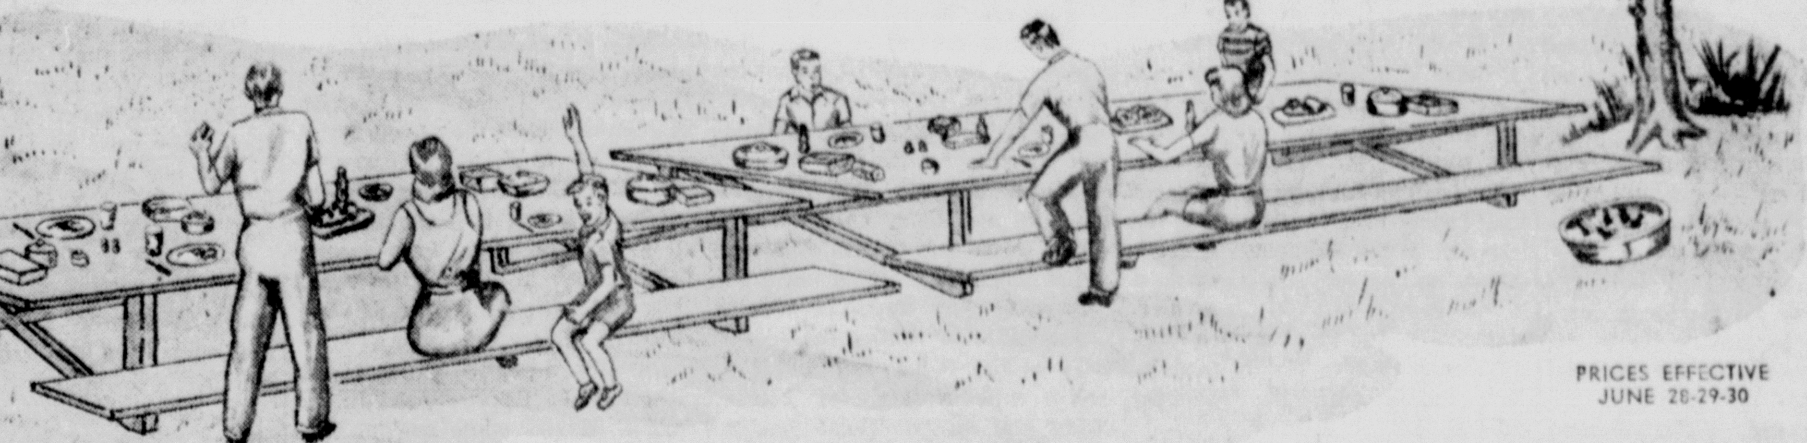

Postal greetings were received this week from Mrs. Lula Gillis who is visiting in Boston, Mass. She is due home this month.

Federal Aid Belabored In Etex Chamber Magazine Article

The dangers characteristic of all federal aid programs are pointed out in detail in an article that will appear in the July issue of EAST TEXAS, official publication of the East Texas Chamber of Commerce, according to W. A. Pounds, President. The article reports a strong statement on this subject, made by Col. W. B. Bates, chairman of the board of the Bank of the Southwest, Houston, on the occasion of the dedication of the Ezekiel W. Cullen Junior High School in that city. The magazine will be distributed to the membership of the organization July 1.

"Our public schools throughout the growth and development of our great State have, from the beginning, been and remained local institutions, subject to local control and support without assistance from Federal funds. It will be a sad day when it is otherwise."

To groups advocating increased Federal aid Bates said, "I do not agree that such a step is either necessary or wise."

"The Federal Government wastes annually on useless and often detrimental activities enough funds collected from the various states to construct all buildings and to provide all the funds needed for an adequate, well-supported school system of the various states."

Bates declared, "The Second Hoover Commission reports that the Federal Government is conducting in excess of 2,500 different businesses in competition with tax paying concerns."

Bates concluded that all of the founders of our country warned against big government and all powerful government.

New Categories Now Included In Social Security

All farm operators, self-employed architects, engineers, accountants, funeral directors and ministers covered under social security who had net earnings of at least \$400 in 1955 and net earnings of at least \$400 this year have already earned survivors insurance protection for their families, according to Mr. James B. Marley, Manager of the Austin Social Security office.

"Some survivor benefits are payable if a person of my age dies having worked at least half the time in the three years before his death," Mr. Marley said. "Hundreds of families in this area have survivorship protection today due to the new coverage provisions in the social security law. If the family breadwinner dies, children under 18 and their mothers may receive family benefits each month until the youngest child is 18."

Some newly covered self-employed persons over 65 are now qualified for monthly old-age benefits under the new law. Others who will be 65 by next

year may become eligible for old-age benefits based on 1955 and 1956 self-employment income.

"Social security credits for self-employment cannot be given unless tax returns are filed," Mr. Marley emphasized. "All self-employed persons covered under social security are required to file an income tax return on their 1955 net earnings of \$400 or more, regardless of whether they had to pay income tax. Returns on 1955 income are now past due and should be filed with the District Director of Internal Revenue if they have not been filed."

Pan-Am Livestock Exposition Becomes Breeding Show

The internationally famous Pan-American Livestock Exposition of the State Fair of Texas has now completed its transition to a full-fledged breeding stock show.

Only the finest breeding livestock from the nation's top show herds will be presented during the State Fair's 1956 Pan-American, Oct. 6-14. No fat market animals will compete for the \$67,763 which is offered by the Pan-American for beef and dairy cattle, swine, sheep, goats and horses of 26 different breeds.

However, the important Junior Livestock Show during the second week of the 16-day fair will of course still feature fat steers, lambs and pigs of Texas youngsters, with an additional \$15,337 in premiums offered in the junior shows.

The Pan-American's transformation from the more usual type of

fat stock show to a virtual shopping center for top sires and dams has been carefully charted since the first Pan-American Live stock Exposition in 1953.

And this year the last remaining classes for meat animals - the fat barrows - have been eliminated to provide more space for the exhibition of breeding swine.

"The exposition has now come of age as the foremost market center in the Southwest for breeding livestock. It has become internationally famous as a source for foundation stock, and conservation estimates place sales of such stock during the 1955 show at well over \$5,000,000," Wilson pointed out.

Texas Lures Sea Missiles

The modern trend - see Texas first - was followed by a strange marine message which has proved to be a ship's "position report" that drifted 4,415 miles in eighteen and one half months.

The odd specimen, retrieved a month ago by Bob Kemp, of the Rockport Game and Fish Commission marine staff, has been identified by the U. S. Navy Hydrographic Office in Washington as coming from the S. S. Cabo de Buena Esperanza while on a voyage from Santos in Brazil to Santa Cruz de Tenerife, off the west Coast of Africa.

Thus the message, which Kemp picked up on Padre Island in the Gulf of Mexico while seeking marine specimens, followed roughly a westerly course. The "bottle paper" averaged 7.87 miles drift daily. It said nothing about how they were bitin'.

Milam Agents Report Lot Of Youth Activity

We helped Stanley Joe and Richard Glaser, of the Corinth Community, trim their calves hooves Tuesday, June 19. The two calves they have on feed are from the C. M. Caraway Short-horn herd. The calves are both doing very well.

This is the first year the boys have fed, but they are making a lot of progress. In addition to the calves on feed, the boys have 17 head of cows, 6 calves, and 1 bull. All the animals are registered Shorthorns. The cows and calves, were bought April 20 at the C. M. Caraway Dispersion Sale and the bull was bought from Mr. Schuffield of Austin. All the animals are of high quality and the boys are thinking about showing them some next Fall.

Stanley and Richard built a new shed to feed their calves. It is a cool place and they have plenty of room. In order to keep down flies, they used an Ortho fly killer and put about 6 inches of sand under the shed to absorb the moisture from droppings.

We also visited three other steers that we have on feed this year. All three are Shorthorns and were bred by Seth Turner of Dublin.

The steers are fed by Carroll Wayne Glaser of Buckholts, Rex McClaren and Pat McClaren, both of Cameron. Pat's calf is a dry-lot steer and weighs around 900 lbs. Carroll Wayne's is milk-fed and weighs around 850. Rex's calf is also milk-fed and weighs around 725. Since we still have 8 months to feed, the two larger steers will hit the heavy weight

(1001-up) class and the smaller calves should make the middle-weight class (850-1001).

We have an Angus calf on feed at Rockdale that is fed by Jay Parmelee. The calf was bred by Rufus Peoples of Tehuacana, near Mexia, Texas.

The County Commissioners Court purchased a dressing comb, scotch comb, rice root brush, hoof knife, horn rasp, curved blade roaching shears, and an ear notching punch. All the equipment will be used to teach boys how to groom their animals for shows and how to trim calves' hooves. The Court has promised to buy some more equipment which will be used strictly for educational purposes. It will be used in 4-H Club meetings and on 4-H Demonstration work.

This week we received two ribbons from the Texas Poultry and Egg Show at College Station for two entries we had in the show. Jeannette Fuchs, of Buckholts, received a Blue ribbon for exhibiting a Superior pen of Texas Gray baby chicks. She scored 95 1/4 points out of 100 total points on the entry.

Carroll Wayne Glaser, also of Buckholts, received a Red ribbon for exhibiting an Excellent group of white eggs. He scored 90 1/4 points out of 100 total points. He also exhibited the Grand Champion Chicks at the show and received a Cup for the entry.

We had eight entries of baby chicks and four entries of eggs, all of which were donated to the boys and girls, by the Ideal Hatchery and Poultry Farm of Cameron, to exhibit at the Show.

What's New in Getaway? Try a '56 Buick and See!

Buick Super 6-Door Riviera

You've probably heard us say a lot, recently, about the 1956 Buick's new Variable Pitch Dynaflo.*

And maybe you've wondered just what that "new" means.

Well, it means a brand-new principle in transmission design. A new way to make whirling oil add to its own velocity and produce fast torque build-up at only part throttle.

What does it do for you?

It gives you a quick new getaway response right in the first inch of pedal travel - right where you do most of your normal driving - and right where you get better gas mileage every inch of the way.

It gives you more safety-surge breakaway when you floor the pedal and switch the pitch - more electrifying full-power acceleration to pull out of a tight spot.

And it gives you all this with absolute smoothness - because no gears ever shift in Dynaflo.

But if you think this great new getaway is

the only reason for Buick's strong position in the Top 3 of America's best sellers - listen:

In every 1956 Buick there's newness from end to end.

New 322-cubic-inch V8 engines. New brakes, new frame, new rear end. A new deep-oil cushioned ride. New handling ease, new quiet, new comfort. New interlocking safety door latches. New Safety-Aim headlamps. New styling and beauty inside and out.

What it all adds up to is the Best Buick Yet, by far. And you'll find all these new thrills packaged in a price that makes any '56 Buick you choose your smartest buy yet. Can you come in this week?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century - optional at modest extra cost on the Special.

**Ann DeLane Hill
Becomes Bride Of
Herbert M. Yager**

Mr. and Mrs. Herbert Mayette Yager left for a wedding trip to Corpus Christi, Texas after their marriage Saturday evening, June 23, 1956 at 8:30 p.m. in the First Lockhart Baptist Church, Lockhart, Texas.

Rev. Prentis W. Chunn, pastor of the First Baptist Church, San Marcos, Texas, officiated at the semiformal double ring ceremony before an altar decorated with a basket arrangement of gladioli and white tapers in cathedral candelabras banked with ferns. The organist was Mrs. Edwin R. Westmoreland, Jr., Lockhart; soloist was Mrs. Robert R. Dunn, Austin and the violinist was Mrs. Stanley McCarty, Austin.

The bride is the former Miss Ann DeLane Hill, daughter of Mr. and Mrs. Edwin H. Gerdes, 4530 Duval, Austin. A graduate of Lockhart High School, Lockhart and a graduate of Southwest Texas State College, San Marcos, where she was a member of Alpha Chi and Kappa Delta Pi. She taught in the Brooks Ave. Elementary School, Waco, during the Spring Semester and will teach in the Hearne Elementary School, Hearne, this fall.

The bridegroom is the son of Mr. and Mrs. Edgar B. Yager of Cameron, Texas. A graduate of Yoe High School, Cameron, and a graduate of Southwest Texas State College, San Marcos, where he was a member of the Agricultural Club. He has just returned from a tour of duty with the Army in Korea. He is engaged in farming and ranching at Maysfield, Texas.

Given in marriage by her Stepfather, Edwin H. Gerdes, the bride wore a ballerina length gown fashioned of Schiffli embroidered nylon tulle over taffeta. Tiny sequins on lace medallions outlined the jewel neckling. The very full skirt worn over crinolines was accented by captivating little bows on the dust ruffle. Her veil of French illusion was fastened to a bandeau type headpiece of lace and tulle sprinkled with pearls. She carried a white Bible topped with a white orchid.

Mrs. Charles P. Hotchkiss of San Marcos, was the matron of honor. Miss Lou Briscoe of Tulsa,

MRS. H. M. YAGER

Oklahoma, was the bridesmaid.

Other attendants wore identical ballerina length blue crystal-lette. Tiny pleats outlined the neckline extending down the back of the bodice into the full skirt to the hemline. A crisp bow at the back of the waistline completed the ensemble. Matching headpieces and lace mitts were worn, and they carried a cascade arrangement of pink Ester Reed daisies.

Edgar Ben Yager of Oxford, Ohio was his brother's best man. Thomas S. Yager (also a brother) of New Orleans, Louisiana, was the groomsmen.

Malcolm C. Marion (brother-in-law) of Seguin and Richard J. Jones of San Antonio were ushers. For her daughter's wedding, Mrs. Gerdes wore a wedgewood blue taffeta sheath dress with wedgewood blue accessories and pink feathered carnation. The bridegroom's mother, Mrs. Yager, wore a powder-blue linen sheath dress with white accessories and a pink feathered carnation corsage.

The reception was held on the lawn, outlined with hurricane lamps, of the First Lockhart Baptist Church. The table was covered with a white net cloth over blue and was decorated with a Memory candle and a garland of sweetheart roses. The three tiered wedding cake was decorated with a garland of white roses and topped with a bride and groom figurines.

The house party included Misses Melba Rose and Bobbie Jean Bock; Mesdames Willie Martin, Lonnie Dotson, O. H. Hill, Hunter Hill, Josie Carpenter, Edna Huskey, Willie Belle Boyle, all of Lockhart; Mesdames Joe Ed Wilson and Sam Houston of Austin; Miss Frances Ohlendorf of Martindale; Mrs. Malcolm Marion of Seguin; Mrs. F. W. Rainey and Miss Dorothy Lee Rainey of San Antonio; Miss Louise Allen of Leander; Miss Clarece McCreary of Kingsville; Miss Patricia Griffin and Mrs. Richard Naylor of

**Mary Frances Hensley Becomes
Bride Of William A. Robinson**

Before an altar, banked with ferns and floor baskets of white gladioli and mums, Miss Mary Frances Hensley daughter of Mr. and Mrs. Roy C. Hensley became the bride of William Arthur Robinson, Saturday, June 23, at 8 p.m. The groom is the son of Mr. and Mrs. W. A. L. Robinson, both families of Cameron.

The father of the bride gave her in marriage as Reverend A. F. Russell officiated in the double ring ceremony.

Mrs. Francis Cox at the organ played "O Evening Star," "I Love Thee," "Rubenstein's Romance," "I Love You Truly," "Always," "No Other Love," and "Traumeri."

Mrs. S. M. Layfield sang "O Promise Me," "Because," "The Lord's Prayer."

The bride wore a gown of chantilly lace over bridal satin designed with sweetheart neckline, long tapering sleeves, and a bouffant skirt of alternate tiers of ruffled lace and tulle extending into a chapel length train. Her fingertip veil of French illusion fell from a tiny demi-crown of seed pearls and rhinestones. She carried a bouquet of white orchids and Lily of the Valley.

The French illusion veil fell from a tiny pearl demi-crown sparkled with baby rhinestones.

Miss Mary Lou Drobny from Palestine, Texas was the Maid of Honor. The bridesmaids were: Ann Van Matre of Corpus Christi, Sara Esslinger, Andrea Brady of Cameron, Lou Flinerty of Galveston and Rosemary Wendt of Vernon, Texas.

The bridesmaids wore floor length dresses of lace and tulle in pale blue with small disc hats of matching lace holding their circular veils, showered bouquet of blush pink rubrum lilies. Miss Christi Clark of San Gabriel was the flower girl dressed in ice blue net and carrying a bouquet fashioned after those of the bridesmaids.

Candle lighter was Lee Bert Robinson, brother of the groom. The best man was Joseph Weston Hall of Fort Worth and groomsmen were Ronald Hudson and Richard Wilkinson, Billy Hensley, Bryce McClellan and Wayne Hobbs all of Cameron. Wallace Collins of Austin and the Groomsmen served as ushers.

At a reception at the home of the bride the bride's table was centered with white carnations. A three tier wedding cake was decorated with white Calla lilies and drague. Carolyn Russell of Cameron served the cake while Enola Harlin of Itasca poured.

Lu Wane Asher of Cameron served at the bride's book.

Others in the houseparty were Miss Annie Lee Skaggs, of Sherman who played at the reception. Carolyn Russell, Wanda Hobbs, Martha Ann Collins.

Mrs. Roy C. Hensley, mother of the bride, wore a blue lace dress and silk brocade and a pink orchid. Mrs. W. A. L. Robinson, mother of the groom wore a pink lace dress.

The bride's going away clothes was an imported blue Italian silk suit with white accessories.

The couple departed for a short wedding trip to the coast and will be at home in the Parkwood Apartments in Houston.

Mrs. Robinson attended Texas State College for Women where she was in Who's Who In American Colleges and Universities, a member of Philomathia Social Club, Phi Upsilon Omicron, Alpha Lambda Delta, Phi Lambda Theta and was president of the sophomore class.

Mr. Robinson is a graduate of Virginia Military Institute where he was a distinguished military student.

Out of town guests were: Mrs. H. I. Van Matre and son of Corpus Christi; Mr. and Mrs. J. C.

and Mrs. Bill Inweatt, Mr. and Mrs. W. M. Phipps, Mr. and Mrs. E. E. Dodson, Mesdames, Bertha Weems, D. M. Scarborough, Fritz Schwarting, Leila Janeway, John Thiweatt, Mary Boyd, Mary Sherrill, Myrtle Weems and Lynn and Linda Weems and Mrs. H. R. McDonald and two grand-daughters of Pecos, Texas.

The hostess received many lovely remembrances.

**Spinster Party
Given For Mary
Frances Hensley**

Mrs. Fred Drobny and her daughter, Mary Lou of Palestine honored Miss Mary Frances Hensley with a spinster luncheon at the home of the bride elect on Friday.

The bride's table was covered with a white organza and lace cloth over blue. Mrs. Drobny centered the table with an original arrangement of blue mums arching with the musical notes from the bridal march.

Blue wedding bells covered small nut cups and served as place cards at the tables.

The hostess served beef consommé, party crackers, a fruit plate and iced tea to the following guests: Mrs. Annie Lou Wendt Rosemary Wendt, Dorothy Kelly Nancy Grabein, Martha Collins, Marguerite Michalka, Carolyn Russell, Beverly Freeman, Carol Ann Sanders, Rita Archer, Rita Reid, Mrs. W. A. L. Robinson, Mrs. Mary Robinson, Ann Van Matre.

**Quilt Party Held
At Henderson Home
In Ben Arnold**

Mr. and Mrs. Alex Henderson of Ben Arnold were host and hostess to the Belmenia Quilting Group on Thursday June 21.

Those who enjoyed the day together and the covered dish dinner were: Mr. and Mrs. J. H. Reaves, Mr. and Mrs. Melvin Weems, Mr. and Mrs. J. P. Har-

and Mrs. Bill Inweatt, Mr. and Mrs. W. M. Phipps, Mr. and Mrs. E. E. Dodson, Mesdames, Bertha Weems, D. M. Scarborough, Fritz Schwarting, Leila Janeway, John Thiweatt, Mary Boyd, Mary Sherrill, Myrtle Weems and Lynn and Linda Weems and Mrs. H. R. McDonald and two grand-daughters of Pecos, Texas.

The hostess received many lovely remembrances.

**Humble Viewers
To Be Guests Of
Houston Yacht Club**

Sailing from a crewman's point of view will be featured next week on The Humble Company's TV program, Texas in Review. Viewers will go along as a crew member in the Houston Yacht Club Regatta and a Houston to Corpus Christi off-shore race.

From Ft. Sam Houston will come films of training being taken by the pentathlon team to re-

the modern pentathlon, the military all-around event of the modern Olympics, includes horseback riding, cross-country running, free style swimming, timed-fire pistol shooting and epee fencing.

Another interesting feature will show a truck Rodeo in San Antonio. In this Rodeo different kinds of trucks are driven over specified obstacle courses.

Forty conservation farm plans have been approved by the Board of Supervisors of the Little River San Gabriel Soil Conservation District during the first five months of 1956, says Mike Brown of the Soil Conservation Service in Bartlett.

These forty conservation plans constitute an acreage of 9,448 acres and represent landowners who have become district cooperators for the first time.

Conservation practices common to all these plans are cover cropping, crop residue utilization, proper use of pasture, pasture planting, rotation grazing, fertilizing, brush control, terracing, waterway development and pond construction.

Landowners who have already applied or are now applying one or more of these practices are Joe Zrubek, Annie Stiba, Everett Shelton, Doyle Gray, J. W. Hill, Daniel Naiser, Mrs. Tracy S. Vitek, W. D. Davidson, Joe L. Prcin Rister Brothers, Homer D. Whitfield, Jack Seale, Jud R. Brison, Anton Kohutek, Frank R. Matyssek, A. L. Neves, H. C. Neves and Ed T. Wentreck.

Milam 4-H Clubs Represented At A&M By Buckholts Boys

Carroll Wayne Glaser and Howard Gonten, 4-H boys from Buckholts, with Lester Byrd, Assistant County Agent, represented the Milam County 4-H Clubs at the annual Texas 4-H Club Round-Up in College Station, June 12-14.

Carroll Wayne participated in the Food and Nutrition Short-course and Howard attended the Tractor Maintenance contest. All delegates who attended the Short-courses received certificates of completion on Thursday afternoon June 14.

The boys did not spend all of their time studying, however, they attended the Share-The-Fun-Festival, went bowling, played ping-pong, went swimming, and visited the points of interest on the campus of A & M College.

Activities were climaxed by a barbecue Thursday night, followed by a Sears sponsored program featuring professional entertainers.

It was a very enjoyable trip and was educational as well as being lots of fun.

Others who attended a part of the Round-Up were J. D. Moore, County Agent and Mr. and Mrs. Carl Gonten and Carolyn of Buckholts.

Deer Count Shows High Herd Total

Calculations from incomplete studies in selected Hill Country counties indicate that estimates of Texas' deer population will have to be slanted sharply upward.

Also the investigation shows deer mortality from drought, over population and parasites through last winter aggregated many thousands in four counties alone.

These tentative deduction were disclosed by the Assistant Director of Wildlife Restoration of the Game and Fish Commission on the basis of census data prepared under direction of Bob Ramsey, wildlife biologist assigned to the

Bassett Watson Named Sales Manager Of Texas Power & Light

Bassett Watson

Bassett Watson has been named General Sales Manager of the Texas Power and Light Company with headquarters in Dallas, it was announced today by W. W. Lynch, TP&L president. Watson, an assistant vice president of the Company, assumes immediately the responsibilities of the position left vacant by the death of Ted B. Ferguson.

Watson had been manager of the Company's Area Development division since May of last year. Prior to that time he was Southern Division manager for three years with headquarters at Waco.

Watson was born in Cameron, son of district judge and Mrs. John Watson. He is a graduate of the University of Texas, receiving his bachelor's degrees in Business Administration in 1927. While attending the University of Texas he worked during the summers in the TP&L Cameron office.

He entered the employ of the Texas Power and Light Company

state's principal deer range in the Edwards Plateau region.

Estimates heretofore made of the total state deer population have set the figure at just short of half a million, mainly white-tails. But the seven Hill Country counties, used for the herd counts, reflect a combined population of almost four hundred thousand deer before the last hunting season.

The Assistant Director said that regardless of the final totals "it is obvious that we are not harvesting as many deer as we should." He said extension of the experimental antlerless deer hunts is one sound management way the herds can be reduced to the carrying capacity of the land.

The investigations were centered in Kerr, Llano, Mason, Gillespie, Medina, Blanco and Sutton counties where the Commission has regulatory responsibility to regulate harvests on the basis of existing current conditions. But the first four named counties bore the concentrated studies since records from previous herd counts were available there.

Prevention Act projects was announced on June 8 by Secretary of Agriculture Ezra Benson. Three Texas projects, Cummins Creek, Upper Brushy Creek and Lower Brushy Creek, are included.

Mr. & Mrs. John T. Hause Celebrate Golden Wedding Anniversary

More than 260 guests registered at the home of Mr. and Mrs. John T. Hause in the Curry Community during Open House celebrating the couples Golden Wedding Anniversary on Wednesday evening, from 7:30 to 9:30, June 20.

It was "revealed" at the Open House that Ellen Delahunty, daughter of Mr. and Mrs. P. M. Delahunty of the Walker's Creek Community and Mr. John T. Hause, son of Mr. and Mrs. W. S. Hause of Walker's Creek Community were married at 8:30 o'clock June 20, 1906 in the Walker's Creek Baptist Church with the Reverend C. D. Whitman officiating.

The couple lived in this community until January 11, 1911 when

they moved to their present home in the Curry Community where they have lived for 45 years.

The couple have two children, Durward Hause of Austin, a daughter, nee Frances Hause, Mrs. Robert C. Hudson of Elmhurst, Illinois and two grandchildren, Mrs. Paul Kalish of Bellaire, Texas and Mrs. Don Jackson of Rockdale and four great grandchildren. All of them were present at the open house except one granddaughter and her children.

The Hause's have been members of the First Baptist Church in Cameron for the past 36 years.

Mrs. C. E. Porter of Calvert, Mrs. Oscar Story and Miss Mary Randolph, both of Cameron who were flower girls at the Hause wedding were present.

In the receiving line were Mr. and Mrs. Hause, Mrs. R. C. (Frances) Hudson and Robert Hudson, a daughter and son-in-law. Guests were greeted at the door by Miss Mary Randolph.

Mrs. Bently Hause registered the guests and Mrs. Jessie Brock invited them into the dining room.

Others assisting were Mrs. Aubrey Hightower, Mrs. Noris Rogers, Mrs. Jimmy Goodbar and Mrs. V. B. Fatheree.

Mrs. Wallace Culpepper cut and served the golden wedding cake, while Miss Peggy Hightower poured punch.

Patty Hightower, La Nell Rogers and Beverly Jane Goodbar, in beautiful pastel colored party dresses helped entertain the guests.

The table was covered with a lace cloth over gold and centered with an arrangement of yellow mums topped with a 50 in gold.

A big three tiered white cake trimmed in gold and topped with a 50 in gold and a smaller white cake decorated in pink with the figures 24 was for Bob and Frances Hudson whose wedding anniversary was June 20, the same as her parents and was held in the same church. The napkins were inscribed John - Ellen 1906-1956 and Bob - Frances 1932-1956 and June 20.

At 8:30 p.m. Reverend Aubrey F. Russell led in a prayer of thanksgiving for the fifty years.

Present at the 1906 betrothal of Ellen to John were: Mr. and Mrs. Dave Link, Jean Hause, Roger Delahunty, John Delahunty, Roy Hightower, Mrs. Georgia Small, Mary Randolph, Mrs. C. E. Porter, Mrs. Oscar Story, Mr. and Mrs. Dan Gunn, Mr. and Mrs. Hugo Slaughter, Mrs. Dave Angell, Mr. and Mrs. Oscar Hightower, Mr. and Mrs. Tom Hightower and Harvey Chamberlain.

Those present who attended the Hause twenty-fifth anniversary were Mr. and Mrs. Harvey Chamberlain and Charles Brady Sr.

Many beautiful flowers and useful gifts were brought for Mr. and Mrs. Hause.

Out-of-town friends and relatives were Mr. and Mrs. D. Hause of Austin, Mr. and Mrs. R. V. Hudson of Elmhurst, Illinois, Mrs. Don Jackson and sons Marvin and Roy of Rockdale; John Delahunty of San Angelo; Kathryn Delahunty Johnson of San Antonio, Mrs. Jimmy Goodbar and Beverly Goodbar of Texas City; Mrs. V. B. Fatheree of Victoria;
